**Active Registrations****Page Description**

Use this page to search for and select the complete registration record you want to view, update or delete. You may search for an entity by Legal Business Name, DUNS Number, DoDAAC, CAGE/NCAGE Code, or Office Code. To register a new entity in SAM, please select Register New Entity from the sub-navigation menu.

Please note, the list presented in the Entity List box includes only the parent level entity. If an entity has a child, you will need to select the box next to the entity to expand. For keyboard only users, please tab to the desired entity and then press the Enter key to expand the child entities. Press the space bar to select an entity from the Entity List table and the details will be populated in the Registration Details table.

**Important: If you navigate away from a page during the registration process without selecting Save and Continue, the information entered on the page will NOT be saved. You must select Save and Continue on every page.**
